

North Farm Cottages

Directions

If you have a sat-nav, the postcode is NR11 6TW. Please be warned though that sat-navs sometimes do not work in the area as it is extremely rural! Many people have ended up in a field with the sat-nav announcing '*You have arrived at your destination*'.

Access to the cottages is down a farm-track – *do* drive slowly.

From Norwich and the South

- Take the A140 out of Norwich, signposted *Cromer*.
- Continue on the A140 until you reach the *Aylsham* roundabout just outside Aylsham.
- Take the third exit, continuing on the A140 towards *Cromer*.
- You will pass a turning on the right to *Buxton/Brampton*.
- At the next roundabout, turn right (third exit) marked *Burgh next Aylsham*.
- Continue on this road for exactly 2.5 miles. You will pass through the village of *Burgh* and drive out the other side.
- Having left the village, you will drive through open countryside and over a small crossroads
- As the road bends sharply to the right, on the right you will see the North Farm sign and a lane on the right that leads to North Farm and the holiday cottages. This is exactly 2.5 miles from the A140. If you come to a little bridge, you have gone too far.
- Turn right down the farm-track (passing Kingsbridge house on your right) and continue down the track. The cottages are on your right just before the farmhouse (look out for the brown fence).

From Cromer and the North

Petrol stations – If you are coming from Norwich, we would recommend filling up with petrol before leaving the city as there are no further petrol stations between the edge of Norwich and North Farm.

If you are coming from the North, the petrol station at Alby (on the A140) is the last one before North Farm. There is also a petrol station at Coltishall.
